## Summary

Hi, my name is Rajesh Choudhary and I am College Student in BCA.

To work with an organization where can learn new skills and increase my abilities for the organizational Goals as well myself.

I recently started sharing my learnings and my journey on LinkedIn as I believe I have a lot to share!

As a pursuing graduate with a degree Computer Application, I'm excited to launch my career in software development. During my studies, I gained hands-on experience in programming languages such as Java, C++, and C, as well as web development technologies like HTML, and JavaScript. I'm a fast learner with a passion for problem-solving, and I'm always eager to take on new challenges. I'm seeking a role where I can apply my skills and contribute to the development of innovative software solutions.
